\*The hotels listed are specified in the itinerary for each day; however, due to reasons beyond the Organizer's control, some may be replaced by hotels of equal or higher category.

Please note that rooms of the same type within each hotel may vary in category. These are often historic buildings originally designed for purposes other than accommodation, with rooms that differ from one another; also, these are generally small properties with few rooms. Efforts will be made to distribute rooms of higher category evenly.

## **THE FEE DOES NOT INCLUDE**

- Medical, luggage, and trip cancellation insurance.\*
- Transfers from your place of residence to Naples.
- Meals on the day of departure.
- Extra services, tips, and anything not mentioned under THE FEE INCLUDES.

Given the importance of the travel package, it is strongly recommended to purchase medical and trip cancellation insurance (including flight coverage). It is advisable to arrange this insurance in your own country for easier claims management.

## **TRIP CONFIRMATION**

The trip will be confirmed once the minimum number of 14 registrations is reached. The final confirmation date is December 20, 2025.

After confirmation, additional registrations up to the maximum of 20 participants will be accepted until February 15, 2026.

## **CANCELLATION AND PENALTIES**

At any time, the traveler may withdraw from the contract. In case of trip cancellation by the traveler, the following penalties apply:

- From booking until April 30, 2026, a penalty equal to half of the deposit paid;
- From May 1 to August 29, 2026, a penalty equal to the entire deposit paid;
- From August 30 (final payment date) until October 4, 2026, a 100% penalty.

Travelers who must cancel the trip should file a claim with their insurance company, as cancellation insurance is not included in this travel package.

If a traveler, after booking, is unable to participate, they may transfer the contract to another person who meets all the service conditions (e.g., same room type) by notifying the Organizer via email no later than seven days before the trip starts.

In any case, the Organizer will retain 4% of the amount paid as an administrative fee and to cover transaction costs related to deposit or balance payments.

As this is a tailor-made trip, in case of withdrawal by a participant that reduces the group below the minimum of 14 travelers, the trip cost will be recalculated, and registered travelers must pay the additional amount to ensure the trip's sustainability. If the new price is not accepted, the trip will be canceled, and all expenses already incurred by the Organizer will be retained.

This condition applies at the stage of trip confirmation with deposit payment only. After payment of the balance, no additional payments will be requested as penalties for withdrawal will apply.

## **INFORMATION AND PROGRAM CHANGES**

Before departure, further useful information about the trip will be sent by email, including the names and contacts of guides and other relevant details.

The above itinerary may be subject to changes before or during the tour due to technical, organizational reasons, or weather conditions preventing outdoor activities. Consequently, some services such as hotels, excursions, visits, tastings, or others may be replaced with others of the same type, quality, or value, at the Organizer's or guides' sole discretion.

The program may also undergo changes or restrictions due to government emergency public health regulations. Such causes are unforeseeable and beyond the Organizer's control.
